

## Astute LXP Release Notes March 2026 (V3.4.7)

Release Date: March 26<sup>th</sup> 2026

This month's update is mostly work in Astute's code to prepare for launch of our Instructor-Led Training feature. We have also been able to make some changes and fixes.

### Changes

- The option for *Self Enrolment Settings* in the menu has been renamed to *Catalogue Settings* to make it clearer that the page is used for setting up your platforms Catalogue.

### Bug Fixes

- Minor improvement to how "Last Passed" dates are recorded following course completion.
- Updated certificate behaviour to ensure the correct certificate is issued when Grouped Events are disabled.
- Improved reliability of the "Auto Enrol All Users" option to ensure learners are enrolled as expected.
- Courses that were showing the wrong duration have been corrected.
- Improved enrolment logic to ensure learners scheduled for future re-enrolment are handled correctly within Pending Changes.
